## Matthew 6:24-34

When we become serious about seeking first the Kingdom of God we will be confronted with a dramatic priority shift

Question: What are "these things" that Jesus promises to supply?

- 1. What we eat
- 2. What we drink
- 3. What we wear
- 4. What we treasure

\*Our attitude toward all of "these things" is perhaps the most accurate mark of our true spiritual condition.

\*The rich are tempted to trust in their possessions and wealth

\*The poor are tempted to doubt God's provision.

\*A clear test of kingdom allegiance is how we view material things

**Essential Attitude Adjustments for Authentic Kingdom Seekers:** 

- 1. You must check your heart
  - What you love exposes who you serve
  - What you invest in exposes what you love
- 2. You must understand the ownership principle
  - Everything you thought you owned is ultimately God's
- 3. You must develop a stewardship lifestyle
  - You are commissioned to manage resources entrusted to you
- 4. You must eliminate economic anxiousness
  - Being anxious is sinful
  - Being anxious is a lack of faith
  - Being anxious is unnecessary
  - Being anxious is unreasonable
- 5. You must trust in God's supply
  - How you deal with "these things" is a test of your allegiance
  - God longs to supply all of your needs according to his riches in Glory but he also longs for your total trust and allegiance.
