

No Right, No Reason, No Excuse 2/25/18

1 Corinthians 6:9-11

In 1 Cor. 6:9-11 Paul forces us all to do a reality check!

A Question: “Do you not know that the unrighteous will not inherit the kingdom of God?”

A Warning: “Do not be deceived!”
“Don’t you get it?” These sins should never be named among those who take the name of Christ.

A Reminder: “and such were some of you, but...”

Three phrases that describe the Transforming Power of the Gospel:

1. Our New Life: “You were washed”

Regeneration means to take that which is dead and make it alive

2. Our New Nature: “You were sanctified”

Sanctification is a three part process:

Positional Sanctification: Set apart from the penalty of sin

Progressive Sanctification: Set apart from the power of sin

Ultimate Sanctification: Set apart from the presence of sin

A Sanctified behavior is impossible apart from a sanctified nature

3. Our New Standing: “You were Justified”

Justification defines a change in our legal standing

Our Transformation Establishes New Expectations:

You have no right to go back into your sin

You have no reason to go back into your sin

You have no excuse for going back into your sin
