

“Intoxicating Idols”

5/20/18

Daniel 1:1-9

Many believers have embraced “worthless idols” and have sacrificed the potential grace that God offers.

Social drinking has become accepted and normal behavior among many believers.

We are told to: “test everything”

There are Three Dangerous Outcomes that we are warned about regarding the use of alcohol:

I. Use of alcohol promises misery (Prov. 23:29-35)

We are command: *“Do not look at wine when it is red, when it sparkles in the cup...”*

II. Use of alcohol promises to be a mockery

Prov. 20:1 *“Wine is a mocker...”*

When believers engage in such things it becomes a mockery to what we claim to believe

III. Use of alcohol promises to mislead others

There is a higher law than your law of freedom
it is the law of love.

Guiding Principles:

1. Refuse to conform to the world
2. Live according to the law of love
3. Understand your influence
4. Understand your ownership
5. Put the kingdom of God first
6. Make sure your life reflects your faith
